16 January 2012 (tbc): **Lectures begin**

05 May 2012 (tbc): **End of exams for Master and MBA students \***

19 May 2012 (tbc): **End of exams for Bachelor students \***

\* Students are expected to stay on campus until their last exam is taken. It is not possible to take the exams at the home university instead.

#### **Important note regarding exams:**

The exam schedule is set in accordance with EBS semester dates. It is possible that there will be exams on the last day of the semester. We strongly recommend that students book their return flights with the semester dates in mind. EBS will not modify the exam schedule due to early departure flights.

### 3. Application for exchange

#### Eligibility for Exchange to EBS

Prospective exchange students to EBS are required to be

- officially registered students at one of our partner universities,
- in good academic standing,
- officially nominated by the home university,
- fluent in English.
  - Graduate level exchange students (MBA or Master) are required to hand in a TOEFL score of at least 95 points ibt (or equivalent) if they are non-native speakers of English.

**The application process for exchange students wishing to attend EBS consist of 3 steps:**

**Step 1:** The exchange coordinator of the home university nominates exchange students through an online nomination system (details will be sent to all exchange coordinators in time).

**ATTENTION: Please take note of the following deadlines for nominations:**

For Fall Term:           **15 April**  
For Spring Term:       **01 October**

**Step 2:** Nominated exchange students will receive an email from EBS International Programmes Office with details on the online application procedure.

**Step 3:** After completing the online application, students submit the following supporting documents through their exchange coordinator via email as well as express mail:

1. Current CV or resume,
2. 1 passport-sized photograph (originals please!!),
3. A copy of all university degrees/grade transcripts from the last 2 years,
4. Proof of health insurance or copy of European Health Insurance Card valid for the entire stay at EBS (please refer to section 7 for important information on health insurance!),
5. Document "Declaration of Accession" to the EBS student body (available in download section of application system)
6. For graduate level exchange students (MBA or Master): TOEFL score of at least 95 points (ibt) or equivalent.
7. A certified copy of ID document:
  - For EU-students: national ID card;
  - For Non-EU-students: passport (photo and data page; needs to be valid for the entire stay in Germany!)

**ATTENTION: Complete applications must arrive at EBS before the following application deadline:**

For Fall Term:           **01 May**  
For Spring Term:       **15 October**

#### ATTENTION:

- All exchange students must be nominated first by their home university, before they can fill in the application online.
- All necessary information will be sent to all partner universities before the application process starts (for fall term in early April and for spring term in September).

## 4. Visa and Immigration

**All exchange students are required to investigate whether they need a visa to study in Germany or not!** Please contact the nearest German embassy or consulate in your home country in this matter! Also, the International Programmes Team at EBS can offer general advice.

If a visa is required, the student should calculate 6 to 8 weeks time to apply for it.

If the students apply for their visa too late, EBS has NO possibility to speed up the visa process! If students do not receive their visa in time for semester start they will not be able to attend EBS!

Normally, the embassy will issue a “D” type student visa. This visa will be valid for 90 days only.

After arrival at EBS, non-EU-nationals are required to apply for a residence permit. This allows them to stay for the entire period of studies. EBS International Programmes Team will distribute all necessary information on this process during the induction days.

Students should note that to apply for a residence permit the authorities will collect their original passports for a period of ca. 3 weeks! Thus, the students cannot travel Europe for 3 weeks (travelling in Germany is of course unlimited)! This will roughly affect the following time periods:

- Spring Term: Mid-January – Mid-February
- Fall Term: Early September – Mid-October.

Therefore, students should not schedule international travel during this period of time!

## 5. Housing

We do not offer on-campus housing and accommodation in the area is difficult to find. Thus, EBS Housing has created a database with available and suitable flats to help international students to find accommodation. All accommodation is furnished and equipped with varying levels of household appliances.

This service works on a “first come first serve basis” with exception of EBS managed accommodation with 40 places. Students receive emails with housing offers **after admission** to EBS (approximately October/November) and can choose an accommodation out of the offering. Booking is done with the EBS housing coordinator.

For more and further information, please see the housing webpage (<http://www.ebs.edu/index.php?id=4422&L=73>) and wait for the introductory mail with the login data.

### **Approximate Living Costs (in local currency):**

<u>Total:</u>	from € 600 - € 900 per month:
<u>Accommodation:</u>	€ 300 - € 450 per month
<u>Food:</u>	€ 250 per month
<u>Books and classroom materials:</u>	Max € 50 per course
<u>Transportation:</u>	Semester ticket for public transport in the area; € 95 per semester; MANDATORY for EVERY student of EBS

## 6. Pick-Up Service

**Pick-up** can be arranged upon request. This service is only available from **Frankfurt International Airport** and **Mainz Central Train Station** (arrival in Germany via Frankfurt Hahn Airport) and will be offered a few days before students are expected to be on campus. Students need to pay a 10 EUR contribution to the pick-up costs.

Further details will be sent to all exchange students **approximately 4 weeks before the start of the semester.**

Students arriving outside of the pick-up periods have to organize and pay for transfer to EBS on their own.

## 7. Health Insurance:

By law, all students **MUST** have sufficient health cover for their stay in Germany to apply for a student visa and to become registered as a student at a German university.

The immigration office has become very strict which insurance plans they accept for visa and residence permit applications. If a student hands in a plan not accepted by the immigration office, it will be rejected and the visa application will be halted. This may cause several weeks delay in the visa process and result in a student not being able to arrive in time for semester start.

**To avoid difficulties with the German immigration office, we STRONGLY recommend students to purchase one out of the following four insurance plans:**

1. **Caremed:** Students can see prices and details online. This plan is very inexpensive and can be purchased online within 10 minutes. A confirmation acceptable for the immigration office is available online as soon as payment is confirmed. → [www.caremed-travelinsurance.com](http://www.caremed-travelinsurance.com)
2. **Victoria:** <https://portal.versicherungsdienste.de/dsw-studenten-kv/index.en.html?jsessionid=E4F199080A393ADAE3FEC74C217EB566>
3. **Barmer:** with ca. 67 EUR per month probably a bit more expensive than the other plans but by far the most comprehensive plan. It is full health cover as enjoyed by every German citizen and covers basically everything! We STRONGLY recommend this option for every student staying at EBS for more than 6 months!  
For further details, please contact Mr. Andre Böhm at Barmer Insurance: [andre.boehm@barmer-gek.de](mailto:andre.boehm@barmer-gek.de) or +49-(0)611-3571-51-6001.
4. **Only For European Union Nationals:** A copy of the students **European Health Insurance Card** is sufficient.

**1. Sample of European Health Insurance Card.**

Please note that travel insurances (= only emergency treatments) are **IMMEDIATELY REJECTED BY THE IMMIGRATION OFFICE!** Also, they only accept insurance documents issued in **EITHER GERMAN OR ENGLISH!**

## 8. Course Information:

EBS offers a variety of undergraduate and graduate level courses for exchange students.

Course registration will take place online before the beginning of the semester. All necessary information will be sent to all exchange students via email **after admission.**

**Attention:** After admission, students will receive an EBS email account! All important information (e.g. about course registration etc.) will be send to this EBS email account only ! It is the responsibility of the student to check this account regularly! If desired, students can instruct the EBS account to forward all emails to a private email account of their choice.

<u>Class Format:</u>	lectures and seminars
<u>Class Size:</u>	15 - 50 students
<u>Grading:</u>	participation, written, oral
<u>Attendance and Participation:</u>	mandatory
<u>Full load for one semester:</u>	30 ECTS (for Erasmus students) + 1 language course
<u>Recommended course load per semester:</u>	Minimum 20 ECTS and maximum 34 ECTS + 1 language course
<u>Languages of Instruction:</u>	More then 90% of courses at Bachelor level in English. Master programme is 100% in English. MBA programme is 100% in English.

Course schedules for Fall Term 2011 will be fixed in Summer 2011, schedules for Spring Term 2012 will be fixed in November 2011. Until then preliminary course lists can be obtained from the responsible exchange coordinator at the International Programmes Office upon request.

### Modules and Courses – the difference:

Our Bachelor and Master programmes are taught in so-called *modules*. Modules are groups of courses which are tied together and which can only be registered for as a whole.

An example from our course list:

Module No.	Course No.	Course Title	Lecturer	ECTS	Module	Language	Eligibility
<b>M-FIN2-002</b>	L-FIN2-002	Corporate Finance and Valuation	Mager	2	Finance	English	module only
	L-FIN2-003	Real Estate Fundamentals & Finance	Rottke	1	Finance	English	

Module M-FIN2-002 “Finance” consists of the two courses “L-FIN2-002 Corporate Finance and Valuation” and “L-FIN2-003 Real Estate Fundamentals & Finance”. It is not possible to attend only L-FIN2-002 or only L-FIN2-003. Students have to register for the entire module (here = 2 courses) or not at all.

An overall module exam is taken at the end of the semester, which includes elements from all the courses. **However, only one overall mark is given.**

At the end of the semester, the module will appear on the transcript of record as ONE module with ONE modular grade.

Few modules are structured in such a way, that it is not possible to take the whole module during one semester. In such a case, students can take the course on its own – these courses are accordingly labeled as ‘stand-alone courses’. For each stand-alone course a separate exam has to be taken.

### **Course Timetable:**

Our timetable is not as regular as most students are probably used to. Some courses last for a whole semester, some for several weeks, but some shorter courses last merely for a few sessions, often over an intensive 2 or 3 days block.

**The student is responsible for checking for clashes while doing the registration!**

When the student registers his/her courses, they must check for clashes. Most of the courses have a variety of groups, and at least one of these groups is taught in English (unless otherwise specified).

### **Group Work:**

Some of the courses will require students to complete group work, and in some classes students will be divided into groups so that they are working with EBS students. The group work culture may be quite different from that which the students are used, however, it is an integral part of studying at EBS and every student should take it very seriously.

### **Examinations:**

We do not have a specific exam week at EBS. While most exams take place at the end of the semester, some will take place shortly after the end of the course. This could be only one month after the semester started. Students should take note of this when planning trips abroad. Travelling is not an excuse to miss an exam!

Normally, each student has one chance to re-sit each failed exam, but please note that the re-sit timetable is set for EBS students (e.g. August for Spring Term). The students have to take the exam at the same time as the EBS students, and this might also not be convenient.

## **9. Student Services Available**

EBS offers a variety of services for its guest students, such as for example

- the International Programmes Office,
- a student buddy service organized by the student group ISR,
- academic counseling,
- a Coaching Service,
- a Career Service Center,
- and an EBS student organization will help to integrate the exchange students at EBS.

More information can be found at: <http://www.ebs.edu/index.php?id=international0&L=0>

Our "Welcome Guide for International Students" provides much interesting information on EBS and the region for exchange students. It can be downloaded here:

## **10. EBS Summer Programmes:**

Students who are not interested or able to spend an entire semester at EBS can participate in our International summer programmes which are offered in May and June of each year. They are offered on undergraduate as well as graduate level.
